Subject Construction of a vegetable market in Visweswarapuram, Bangalore City

SIR,

With reference to your letter No L 8730 dated 12th December 1946 re the above, I have the honour to state that there is a Municipal market in Visveswarapuram extension This was built about 20 years back, contains 8 stalls at present and all these are let out The revenue derived from this market for the last 3 years is noted in the margin

Year	Revenue realised
1943-44	70-8-0
1944-45	67-2-0
1945-46	74-4-0

2 The work now proposed is really an urgent one, as there is a great demand for more stalls due to the expansion of the Visveswarapuram area

3 It is proposed to dismantle the present market building (which is nothing more than a few stone pillars with a Zinc sheet covering) and to make way for a traffic island and proper upkeep of the roads all round

4 I may add that the proposed market will be situated in a more central place nearer the Mavalli area so that the residents of the locality can also make use of this market
